#### brief statement, e

Wegerer's work is based on a media-reflexive examination of cultural and historical perceptions of images and data as well as the interweaving of visual media. The starting point are socio-cultural themes, collaged from newspaper cut-outs and statistics that he has been collecting for several years. Michael works with extended methods of printmaking and installations. In addition to his exhibition activities, he also dedicates himself to the design of glass and façade elements within the framework of architecture art projects.

Wegerer has been a member of the Künstlerhaus in Vienna since 2008 and was: 2009 Artist in Residence at RMIT University in Melbourne Australia, 2014 Artist in Residence in Örnköldsvik ÖKKV Sweden, 2018 Artist in Residence at Wharepuke Gallery in New Zealand and 2018 Visiting Artist at the University of Sunderland in England.
